Maj. John Sheppard: That's funny.
- Dr. Rodney McKay: I'm not crazy. I just have another consciousness in my brain. Maj. John Sheppard: So he just looks crazy.
Dr. Rodney McKay: I'm sure I do, but only because Dr. Fumbles McStupid over here was in way over his head!

Course if I was one of them – these people that you seem to think are your enemies – what would I do? Well, there'd be no balloon. So I'd draw a map to a real secluded place, like a cave or some underbrush, good place for a trap. An ambush. And when your friends got there, a bunch of my people would be waiting for 'em. Then they'd use them to trade for me. . . I guess it's a good thing I'm not one of them huh? You g1uys got any milk
